

Privacy Policy

Your privacy is important to us and we collect the information you submit via this website for the purpose of keeping shareholders and subscribers up to date on our current projects and news releases. The Company and/ or its agents will use this data solely to comply with any request for information, submission of relevant application, or in a manner otherwise disclosed or authorized by you. The company will not sell, disclose or otherwise transfer your personal information submitted to the Company to any third party with the exception of disclosing information to the extent that it is required to do so by law, in connection with any legal proceedings or prospective legal proceedings, and in order to establish, exercise or defend its legal rights. All personal information submitted is stored on a secure server with limited access.

Information Collected and Stored Automatically

All visits to the Pure Nickel website are done so anonymously, Pure Nickel does not collect personal information unless it is voluntarily provided. Every time you visit the site, we automatically store information on what web browser you are using, what pages you are accessing, the date and time and what site you came from. This type of information is used to identify trends and plan upgrades for the website, and we have no way of identifying you as a person.

Third Party Links

Pure Nickel has provided links from this web site to several other sites. The viewer should be aware that when linking to these outside sites, they are leaving the Pure Nickel web site and that Pure Nickel is not responsible for the content on other sites.
